BARANGAY LIVESTOCK VOLUME DISTRIBUTION REPORT

REPORTING PERIOD: **OCTOBER 18, 2026**

MEMORANDUM FOR:	HON. MARCELO P. GAYETA, Municipal Mayor
THROUGH:	ENGR. LEONARDO R. ABUSTAN, Municipal Agriculturist
FROM:	LUIS SANTOS, Spatial & Livestock Division
DATE:	October 18, 2026
SUBJECT:	**SPATIAL LIVESTOCK VOLUME DISTRIBUTION AND ORIGIN AUDIT (OCTOBER 18, 2026)**
LEGAL BASES:	1. Municipal Ordinance No. 2020-04 (Livestock Transport Regulatory Measures) 2. DA Administrative Order No. 06, Series of 2021 (National ASF Zoning Guidelines)

I. EXECUTIVE SUMMARY

This report details the geographical livestock movement distribution across the 43 barangays of Sariaya for the period of October 18, 2026. A cumulative total of 0 heads were dispatched across 0 approved consignments originating from 0 active farming barangays. Leading source communities during this cycle include: None. Surveillance data confirms all origins maintain compliant biosecurity fencing and up-to-date hog survey records.

II. BIOSECURITY & REGULATORY COMPLIANCE

Spatial tracking reveals that 0% of all livestock volume was concentrated within the top 3 producer barangays. Movement density aligns with municipal zoning classifications, with zero unauthorized pig pickups detected outside designated boundary perimeters. Continuous surveillance ensures that high-density hubs undergo regular disinfection and veterinary health screening prior to transit clearance.

METRIC DESCRIPTION	REPORTED VALUE
TOTAL LIVESTOCK VOLUME	0 heads
TOTAL APPLICATIONS	0 applications
ACTIVE PRODUCER BARANGAYS	0 of 43 barangays
TOP PRODUCER CONCENTRATION	0%

III. STATISTICAL BREAKDOWN & MOVEMENT EVIDENCE

BARANGAY	APPLICATIONS	SWINE TRANSPORTED	VOLUME SHARE
NO ACTIVITY RECORDED	0 applications	0 heads	0.0%

IV. OPERATIONAL OBSERVATIONS & VERIFICATIONS

- Active production confirmed across 0 out of 43 barangays in Sariaya.
- High concentration of commercial swine movement recorded in rural agrarian corridors.
- Zero cross-contamination or reported disease spikes in active loading clusters.

V. POLICY RECOMMENDATIONS & ACTION ITEMS

1. Direct veterinary field personnel to conduct routine biosecurity audits in high-density source barangays.
2. Strengthen coordination with Barangay Agricultural Officers to capture new backyard raisers into the Hog Survey.
3. Schedule bi-monthly disinfections of public livestock staging grounds.
